### AGENDA:

1. DegreeWorks WebTreQer demonstration (Barb Hegel)

**NOTE:** Link to recorded 15 minute demo and a copy of the PowerPoint from the WebTreQer demo are being sent via separate email to the Transfer-L (Thank you Mary & Barb!)

This option is the second of three being looked at by the DegreeWorks team.

2. Data Cleanup for older evaluations (Barb Hegel)

Possible Banner Task Request for a catalog purge started by UAA. On hold until further information can be obtained.

3. Tables of Substitutions

- a. Will all campuses be able to provide 2012-13 course updates to each other by April 1<sup>st</sup>? Barbara Hegel has sent UAS' in a separate email for review. Please email her if there needs to be any additions.

UAA's won't be ready until closer to May. It is in the review process with faculty.

- b. Any other questions? none

4. Transfer Survey at [uaonline.alaska.edu/transfer](http://uaonline.alaska.edu/transfer)

Statewide has only received one survey within the last 6 months.

5. CCME Symposium - any useful information to share?

UAS has been asked to become a Non-LOI school with Go Army Ed based on our numbers. Barbara Hegel has requested that UAS not have our status changed because we would lose 2 main functions: 1) Daily maintenance of our CRM queue and 2) the ability to upload our class schedule.

6. Pending OnBase task requests: <http://www.alaska.edu/records/imaging/trs/>
- a. TR #125 (in PREP for testing) - UAA's task request to add keywords of "Eval Review Complete" to specific doc types. *This is now in PROD! Is UAA using this feature, yet? Does UAS plan to use it? UAA is not using it yet and UAS has no plans to use it.*
  - b. TR #131 - to change what's viewed in the ROT Evaluation (Continuing) queue Student File tab/window so the view is the same as in ROT Evaluation (New). *This is now in PROD! Any questions or problems? No problems.*
  - c. TR #132 - to revise the workflow process for the RO Transfer Credit Support Docs document type so that when scanned as unprocessed these will go to the ADP Processing queue. Currently there is no logic to send the RO doc type to any kind of workflow – only the AD Transfer Credit Support doc type goes to a workflow. *Not in PREP, yet. Not set up in PREP yet.*
7. Student Transfer Credit Equivalency report at UA Online in the Faculty Services/Advisor Menu is fixed and in PROD! (Thank you Jane, Daniel Hostetler, and all others who helped make this functional again!)
8. Other business or news pertinent to the cause? **None**
