

phase 2 is scheduled for construction in the summer of 2015. This third and final phase will complete the work identified in the 2013 Formal Project Approval.

Statewide

- **Butrovich Building Repairs**

FY16 (GF: \$909.5, NGF: \$0.0, Total: \$909.5)

FY17-FY25 (GF: \$0.0, NGF: \$0.0, Total: \$0.0)

The Butrovich building was constructed in 1988 and is at a point where many of its building components are reaching their life cycle end. Over the next five to ten years many of the main mechanical systems will come due for replacement or refurbishing.
