

PUBLIC NOTICE
TRACT 1, U-MED PROFESSIONAL PARK SUBDIVISION

The solicitation for Tract 1, U-MED Professional Park Subdivision, also known as UAA Lake Otis & Providence Drive Parcel – RFP to Lease or Purchase, was cancelled by the Decision dated August 19, 2022. The University of Alaska (“University”) is going to be considering significant revisions from the prior RFP. Toward that end, and on behalf of the University, the Office of Land Management is opening a public comment period, from September 6, 2022, through October 7, 2022, soliciting suggestions for specific changes to the UAA Lake Otis & Providence Drive RFP process. The University requests that such comments focus on provisions pertaining to the option for leasing rather than selling the property.

Comments received since the date on which the prior RFP period ended (by the decision of August 19, 2022, upholding the protest) are not protected by AS 14.40.367, so the University may post all such comments, and/or make them available in response to public record requests. The University may schedule a public forum during or after the comment period as well.

Parties interested in commenting must submit written comments to the University through its Land Management office by fax at (907) 786-7733, by email at ua-land@alaska.edu or at the Anchorage office address listed below, by no later than **5:00 P.M. on Friday, October 7, 2022**, to be considered.
