

Submit an Expense Report for Non-Travel Expenses

The only way to reconcile charges on the agency and travel cards is by processing them on a Report in Concur. If a cardholder accidentally uses their travel card for personal expenses or non-travel UA expenses (e.g. they used their travel card instead of their ProCard), they must assign them to and submit a Report.

1. Click “Create New Report” under Manage Expenses

2. Fill out the Header as accurately as possible
 - a. Use the most appropriate Trip Purpose for non-travel UA expenses and “Other” for personal expenses
 - b. Include a brief explanation regarding the accidental charge in the Trip Description and comments
 - c. Set travel dates as date of earliest transaction
 - d. Leave as default funding if personal expenses, change to appropriate funding source if non-travel UA expenses
