The image shows a dark-themed Zoom sign-in interface. On the left, there is a 'Sign In' section with a 'Sign Up Free' link. It includes an 'Email' input field, a 'Password' input field with a 'Forgot?' link, a checked 'Keep me signed in' checkbox, and a 'Sign In' button. A '< Back' link is at the bottom left. On the right, there is an 'or' separator and three social sign-in options: 'Sign In with SSO' (with a key icon), 'Sign In with Google' (with the Google logo), and 'Sign In with Facebook' (with the Facebook logo). A red arrow points from the 'Sign In with SSO' button to a text box on the right.

The screenshot shows a dark-themed window titled "Sign In with SSO". It features a text input field with the placeholder "Your company domain" and the text "alaska" entered. To the right of the input field is the ".zoom.us" domain. Below the input field is a blue "Continue" button. At the bottom left, there is a "< Back" link. A red arrow points from the text box on the right to the "alaska" text in the input field.

Enter "alaska" in  
the company  
domain and  
press Continue.
