

# The Make-A-Wish Foundation is looking for some motivated and creative volunteers in the Anchorage Area!

## **Bryant's mom on his wish to go to the John Deere factory:**

~This trip allowed us to put cancer on the back burner which was so appreciated. It was wonderful to watch my child smile for the first time in months. Bryant was so happy for the first time since diagnosis – his spirits were soaring and he could not stop smiling.

If you are interested in finding out more about what a Wish Granting Volunteer does, please check out this 23 minute orientation:
